Re: Freedom of Information Request No. EPA-R2-2014-007790
Dated: June 24, 2014

Dear Ms. Sims:

Your request for information has been referred to this branch for response. We have searched the Resource Conservation and Recovery Act (RCRA) files and/or computer database as appropriate to respond to your request. In addition, you may also receive information from other program areas within this Regional Office.

We are enclosing a copy of the RCRA Facility File Index Sheets for Solvay Solexis, Inc. at 10 Leonards Lane in Thorofare, New Jersey, and EPA ID No. NJD980753875. There may be other RCRA documents that are not included on the enclosed index sheets. We are checking on this. We are also enclosing a copy of the RCRA Compliance Monitoring, and Enforcement Data Report regarding inspection information for Solvay Solexis in Thorofare, New Jersey.

The approximate amount of RCRA information that we have in our RCRA file room is about 45 inches. One inch is equivalent to 250 pages. The cost for copying each page is \$.15.

Since we have so much information, we welcome you to visit our office to review the RCRA files. We will arrange to make the files available to you. Kindly arrange your appointment with Mr. David Abrines of my staff at (212) 637-3043. The file offices are open between the hours of 9:00am - 4:00pm at the following address:

Room 1538, 15th Floor
290 Broadway
New York, New York 10007-1866.

Be sure to bring a copy of this letter when coming to our EPA file office, and make reference to the EPA ID Number NJD980753875.

If you decide that you can not visit us, another suggestion is that you can select the information that you need from the RCRA Facility File Index Sheets. You can place an asterisk next to the documents that interest you on the index sheets, and then e-mail the information to abrin.es.david@epa.gov. Afterward, Mr. Abrines will review the documents that you selected on the indexes, and contact you concerning the final cost. Keep in mind that if you decide to work from the enclosed index sheets, and not visit our office, you may not be looking at all of the documents that we have.

We also have documents for Solvay Solexis in Thorofare, New Jersey, which may be considered confidential and/or are marked as confidential. We recommend that you first review the documents that we have. If after reviewing the documents and you still have an interest in pursuing the regulatory process to request disclosure of the confidential document, please inform Mr. Abrines at the above number.

In addition, RCRA information is available on the Internet as described on the enclosed sheet.

Please include the above referenced request number on any inquiries regarding this response. Please reply to us by **September 15, 2014** to let us know how you want us to proceed with your request. If we do not hear from you, we will cancel your request. You can always submit a new request asking for specific records, and we will continue to work with you.

Sincerely yours,
